	Very poor	poor	good	Very good
1. the <i>regularity/amount of communication</i> from Inclusive Works	1	2	3	4
Clarifications/ comments:				
2. the <i>content and clarity</i> of the communication from Inclusive Works	1	2	3	4
Clarifications/ comments:				
3. the <i>form/ manner</i> in which Inclusive Works communicated with you	1	2	3	4
Clarifications/ comments: In the beginning it was a bit difficult for us to see what the idea was, but we were always kept in the loop.				
4. the opportunities Inclusive Works created to <i>provide input</i>	1	2	3	4

for the <i>content</i> of the project				
Clarifications/ comments: We didn't have the staff available to put much time in the project, but our feedback was always taken very seriously.				

5. the cooperation with Inclusive Works	1	2	3	4
Clarifications/ comments: Once it was clear that our contribution could only be limited, the cooperation was very good.				
6. Your <i>own involvement</i> in the project	1	2	3	4
Clarifications/ comments: We didn't have much time to put in the project, we our involvement was a bit low. We did indicate this from the start, so I think both parties were happy with this agreement.				
7. How <i>your organisation</i> was represented during the project	1	2	3	4
Clarifications/ comments: It was well presented, we thought.				

Any other clarifications/ comments that you might want Inclusive Works to hear about: During the final event we thought that the whole initiative was very well presented and the event well organised. The only action points could be: <ul style="list-style-type: none"> - Clearer instructions on how to get to the ceremony room: Some posters downstairs, would help. - Since it is an international competition, maybe do more in English so that all the participants and invitees can understand. English would give a more international accent to the event. Would you be interested in working again (on the same or other project) with Inclusive Works: Unfortunately we work with a very small team and limited resources so we cannot participate very actively in this type of projects. This will have to be discussed nearer the time with the British Council's projects team. Overall you did a very good job.
