Re: Invitation to workshop 'Working in the Netherlands: the employer's and migrant's expectations'

Dear sir/madam,

Inclusive Works aims at creating a more inclusive society; one where everyone can participate on equal footing. We are currently implementing a European Union-project called Migrascope. With Migrascope we aim to facilitate the participation of migrants in the labour market through exchanges and capacity building.

We would like to invite you to our workshop for both employers and (recent) migrants on 8 March 2018 (15.00 - 17.00 hours) Location: Stadsplateau 1, 3521 AZ Utrecht.

During the workshop employers and recent migrants will enter into dialogue about **each other's expectations regarding working in the Netherlands.** This main theme will be discussed using the following sub-themes:

a. Presentation/representativeness, attitude at the work place
b. Working hours, flexibility and illness
c. Language
d. Work and private life
e. Religion, interaction with co-workers and work-values.

By participating in our workshop you are helping a (recent) migrant gain more insights into how it would be to work in your sector. You, as employer, will gain insights into the migrant's expectations, perspective and motivation. In addition, if you are (now or in the nearby future) looking

for new employees, this is your chance of getting acquainted with promising candidates.

Please let us know whether you will be present at our workshop by sending us an **e-mail to info@inclusiveworks.eu before 2 March 2018**. We would kindly ask you to fill out the following information:

1. Your name
2. Name of your organization
3. Your work title/position
4. The sector of your organisation (Hospitality, accountancy, etc.).

Thank you very much in advance.

Kind regards,

Laura Coello Eertink
